- Height: 1850mm
- Glass Thickness: 6mm
- PVC / magnetic seals
- Chromed brass bolt through handle
- Chromed plastic top caps

- Smooth running bearings
- 'Quick release' bearings in the bottom rail
- Reversible for left or right hand fixing
- Ultracare glass protection system

The Instinct Sliding Door gives the illusion of immense space. The stylish sliding doors glide effortlessly on the single unobtrusive top rail and the 'quick release' mechanism featured on the bottom rail makes entering the showering area an invigorating showering experience. It is an ideal solution for when space is at a premium as the sliding doors do not project out into the bathroom. It can be combined with an Instinct Side Panel to create a larger showering area to suit all your showering needs.

INSTINCT 6 SLIDING DOORS

Elegant minimalism meets curvaceous lines to create a stylish and inspirational showering solution. The Instinct Quadrant is a perfect configuration for when space is at a premium. The two sliding doors are a clever spacesaving tactic, whilst offering an indulgent showering area. It is available in six sizes to suit any showering space, and the "quick release" mechanism makes for easy cleaning. In addition, it is also available in an offset version, which is ideal for a bathroom that has more space to spare on one wall and less on another.

- Chromed plastic top caps

- Smooth operation hinges with chromed plastic cover caps
- Reversible for left or right hand fixing
- Ultracare glass protection system

The modern styling of the outward opening Instinct Pivot Door creates a supremely efficient and flexible solution to suit any number of showering configurations. The carefully engineered door cleverly takes up less external space when opened to allow for other bathroom fixtures and fittings. The Instinct Pivot Door can be installed to a recess, or combined with an Instinct Side Panel to create a personalised and striking showering space.
