Electric only towel rails are factory fitted and filled with a glycol ethylene / water mix to strict guidelines. This improves the thermal transfer rate and acts as a corrosion inhibitor. All electric and dual fuel towel rails must be fitted by a qualified person. The elements are fitted on the right hand side as standard. They can be left hand mounted on request on certain models.

White Sparkle

Grey Sparkle

Matt Black

Espresso

Anthracite

Satin Black

Latte

Cappuccino

Mocha

White & Grey Sparkle, Latte, Cappuccino, Mocha and Anthracite have a textured finish, with Espresso and Satin Black being gloss. These finishes are also available on other ranges.

Element

To upgrade from a standard element to a Heat sensor or Remote controlled, add the element price to the heating only product price.

From
£274.00
Heat Sensor
Element IPX5

Heat Sensor Element IPX5*

An electronic temperature sensor control.

Description	Code	Price
Electric Only	PHG-EOHS	£332.00
Dual Fuel	PHG-DFHS	£274.00

Guarantee:

- 2 Years

*Optional cover shroud available PHG-AC040, ask for details.

Standard
Element

From
£302.00
Remote Controlled Heat
Element IPX4 NTC

Remote Controlled Heat Element IPX4 NTC
- Negative Temperature Coefficient technology

Remote controlled programmable element for adjustable temperature control.

Description	Code	Price
Electric Only	PHG-EONTC	£371.00
Dual Fuel	PHG-DFNTC	£302.00

Guarantee:

- 2 Years

* Dual fuel models will also be supplied with a conversion tee where applicable. All the images of elements depict electric only versions. Dual fuel configurations may vary including element positioning. The appropriate standard versions will be supplied in all cases unless advised otherwise. Electric only towel rails are factory fitted and filled with a glycol ethylene / water mix to strict guidelines. This improves the thermal transfer rate and acts as a corrosion inhibitor. All electric and dual fuel towel rails must be fitted by a qualified person. The elements are fitted on the right hand side as standard. They can be left hand mounted on request, on certain rails only.
