## Wall Panelling Features

There are many features in our wall panelling range. Use the icons to help choose the right option for you.

### Guarantees

The Multipanel wall panels have a 30 year guarantee. Mermaid wall panels have a 15 year guarantee and the Fibo wall panels have a 25 year guarantee.

### Fully Waterproof

As you would expect, all wall panels are fully waterproof for your peace of mind.

### Easy to Clean

Designed and manufactured to present easy cleaning ability to ensure your wall panels last for many years.

### Quick to Install

Panels are designed for a quick and easy installation.

### Can be installed over Tiles

A secure and cost effective solution for installation.

### Hydrolock®

Almost seamless joint with Hydrolock. See page 329 for details.

### Aqualock

Fibo's unique Aqualock wall system provides a 100% waterproof surface when used in conjunction with an approved seal.

### Seamless Finish

Creates a smooth, uniform, seamless finish throughout your bathroom. Panels with postformed edges are available for end panels.

### No Trims Required

Mermaid Elite panels are made using a unique 100% waterproof core, metal or plastic trims are not required.

### Post-Formed

Mermaid Elite panels feature one finished radius edge and one tongue to link to T&G.

### T&G

Mermaid T&G panels in 1200 and 600mm widths offer the flexibility for less waste and less cost.

## About Multipanel – The UK's Best Selling Bathroom Wall Panels

Create beautiful spaces with our waterproof bathroom wall panels, the luxurious and modern way to decorate your bathroom. Our beautiful wall panel collections come in a range of sizes and finishes, including marble, stone and wood, offering you a range of design possibilities, allowing you to reinvent your bathroom in a style that is uniquely yours.

Our unique Hydrolock installation system makes it possible to join panels from our Linda Barker, Heritage, Classic and new Neutrals Collections together to create an almost seamless expanse of waterproof wall. Precisely engineered, our Hydrolock edge creates a discreet watertight joint, without the need for grout, meaning less time cleaning grout lines and mould. Panels in our collections are also Forest Stewardship Council (FSC C128180) and Made In Britain certified, meaning that they are made in the UK from sustainable materials, helping to protect our forests for the future.

Tiles, its time to move on.

## Why choose Multipanel?

Pair bold, feature wall panels from our Linda Barker, Heritage and Classic Collections with the subtle tones from the Neutrals Collection to create a bathroom design that is uniquely yours.

We've selected our favourite pairings to help you get started.

## \*Hydrolock® Technical Information

When manufacturing Hydrolock joints, 20mm is lost from the original panel width, e.g. 2400 x 598mm = 2400 x 578mm finished face size  
2400 x 1200mm = 2400 x 1180mm finished face size

## Multipanel Profiles

	Mill Finish	Bright Silver	Satin Silver	White/Black
Internal Corner (Type A)	–	£46.00	£23.00	£25.00

## The Neutrals Collection

Concrete Elements, The Linda Barker Collection with Pebble Grey, The Neutrals Collection

Created to pair perfectly with some of the bolder panels from Multipanel's other collections (Linda Barker, Classic & Heritage), the new Neutrals Collection allows for greater flexibility in full room design by allowing panels to be mixed and matched like never before.

Feature walls can be created using best sellers such as Calacatta Marble (Linda Barker Collection) and paired with Dove Grey (Neutrals Collection) for a complete wall panel installation. These 5 new decors have a stunning eggshell finish and are available with Multipanel's unique tongue and groove installation system, Hydrolock, for a fast, join free finish.

## How to Style the Neutrals Collection

Pair bold, feature wall panels from our Linda Barker, Heritage and Classic Collections with the subtle tones from the Neutrals Collection to create a bathroom design that is uniquely yours.

We've selected our favourite pairings to help you get started.

## Hydrolock®

Multipanel panels are available with Hydrolock® tongue and grooved edge for easy click-into-place installation.

### Hydrolock Installation

To ensure our panels can be installed to show off their true potential, we created Hydrolock, a unique solution which makes it possible to join panels from our collections (Neutrals, Linda Barker, Heritage and Classic) together to create an almost seamless expanse of waterproof wall. Precisely engineered, our Hydrolock edge creates a discreet watertight joint, without the need for profiles and can even be installed on uneven walls. Hydrolock panels are available in a range of widths for ease of installation – 2400 x 598 mm, 2400 x 900 mm, 2400 x 1200 mm.

The Hydrolock joint reduces the finished face by 20mm i.e. 2400mm x 1200mm becomes 2400 x 1180mm. Straight edge panels are also available.

**25** Years  
on Fibo Wall Panels

## About Us

Designed and manufactured in Norway - the home of wood technology and contemporary Scandinavian styling – Fibo is the leading supplier of tile-effect wall panels. Starting out quite modestly in 1952 with a small factory, today we operate a multi-million pound award-winning factory producing panels for over 100,000 bathrooms a year.

Tried and tested in Norway for almost 70 years, Fibo was the first to make the 'click' system for walls. The smooth and strong surface can withstand both direct water spray and large temperature fluctuations. Quick to dry, easy to clean, and simple to install. You are guaranteed a result that will last for many years.

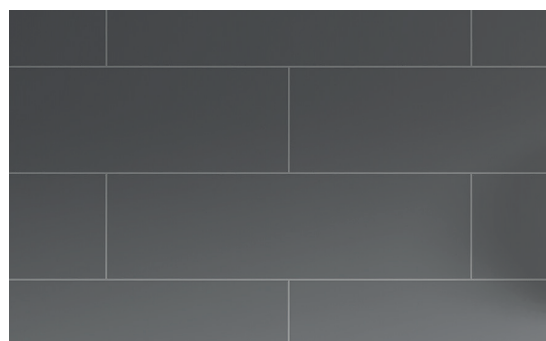

Aberdeen, Metro Brick, The Urban Collection

## Did you know?

Research has revealed that Fibo's leading waterproof wall panel system has a carbon footprint that is 37% lower than tiles. This is in part due to Fibo sourcing their plywood from sustainable PEFC certified sources. So, when you choose Fibo wall panels you can be confident that you're choosing the greener option and reducing your carbon impact. Plus, Fibo wall panel surfaces are all antibacterial so there's no more cleaning mould and worrying about bacteria growing between tiles anymore. Why tile, when you can Fibo?

Designed &amp; made in Norway

### Accessories

Choose from the Fibo range of accessories to ensure the perfect finish every time. Ideal for use with Fibo wall panels, our accessories create a quicker, trouble-free installation.

#### Fibo Seal

A waterproof, hybrid polymer sealant available in either grey or white. 1 tube of sealant is enough to seal all joints on up to 4 panels. Size – 290ml.

£14.00

#### Fibo Adhesive

With high tensile strength, this hybrid polymer is the perfect adhesive for use with wall panels. Size – 290ml.

£14.00

## Contemporary Tile Effect Collection

Olive Green, Pop of Colour, Contemporary Tile Effect Collection

### Contemporary Tile Effect Collection

Fibo's tiled panels are groutless, meaning there is no mould, and no mess (because they're not really tiles!). Life is too short for cleaning.

Dimensions – 2400(h) x 600(w) x 10.2(d) mm

£213.00

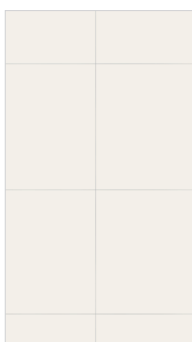

For Fibo profiles & accessories please see page 345

### Monochrome

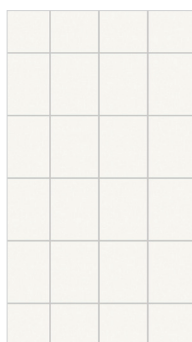

Bringing a fresh look to classic styling in a range of traditional designs with a more modern tile pattern.
