SPANNER-FREE INSTALLATION NOW THAT'S REALLY SOMETHING TO CONSIDER

FIRST FIX KIT

Incorporates a precise pipe spacer and tile guide for a flawless finish with minimum effort.

PUSH-FIT CONNECTIONS

For the first time ever, simply push on to 15mm copper pipe and secure with a single grub screw for a watertight connection.

50MM PIPE CENTRES

Precisely spaced to allow for the use of a standard pipe slice.

UNIBODY DESIGN

A unique, single-piece brass body that fits perfectly against tiles without any fixings visible for the neatest of finishes.
